Dear Sir / Madam,

We thank you for your continued support during the past twelve months. **INDOC Cranes** has recently returned from the CIM Exhibition in Montreal which has allowed **INDOC Cranes** to show its capabilities. **INDOC Cranes** Canada is becoming an industry leader in the supply, delivery and installation of materials handling equipment in Canada. **INDOC Cranes** take pride in its commitment to customer service and its ability to provide a proven product to international standards. A key component of **Indoc's** success is the backing of Condra and its clear vision of supplying a product which gives its client reliability and quality to international Standards.

What **INDOC** has to offer:

- **INDOC's** service division is expanding its share of the maintenance market. Offering certification, load testing and 24 hour maintenance and service to all makes of equipment.
- **INDOC's** Manufacturing facility based in Saskatoon allows for Refurbishment to existing cranes and New Crane manufacture from 1ton to 500ton capacity.
- **INDOC's** stores stock a complete range of spares suited for Condra hoists and components.
- **INDOC** offers a 36 month Guarantee on all new Equipment maintained by its qualified Condra technicians
- Please visit our website at www.indoc.ca

Our success as **INDOC Cranes** is seen through its continued support by you our distinguished client. This support is appreciated and **Indoc Cranes** will continue to grow and provide a world class service to you.

Assuring you of our best attention at all times,

Yours faithfully

Bradley Sliedrecht
